

Mihaela Maxim

SOFTWARE TESTER

ABOUT ME

I am transitioning into software testing, bringing strong attention to detail, analytical thinking, and many years of professional experience from other industries.

Proven attention to detail gained from QA roles at Amazon and technical problem-solving experience as an L3 Support Engineer. Strong analytical mindset, excellent communication skills, and solid understanding of the software development lifecycle.

EDUCATION

Software Development Academy

Software Tester | 10.2024 - 02.2025

Introduction to testing # Test design techniques
Risk-based testing # Testing tools
Agile and Waterfall
Introduction to programming
Testing in the BDD methodology
Selenium WebDriver Fundamentals

Final project description: testing of an ecommerce site

Additional project: test case design for a video app

LinkedIn:

TESTING SKILLS

- Manual testing (functional, regression, exploratory)
- Test case creation and execution
- Defect reporting and tracking
- Basic understanding of SDLC / STLC
- Familiarity with Agile/Scrum

TECHNOLOGIES

- Jira (bug tracking)
- TestRail or similar test management tools
- SQL (basic queries)
- Web browsers & DevTools (basic)
- Windows OS

LANGUAGES

NATIVE - Romanian

C1, C2 - English

B1, B2 - Italian

Technical Support

HCL Technologies | Sept 2019 - Oct 2022

- Investigated and reproduced complex software and system issues reported by users
- Analyzed error patterns and logs to identify root causes
- Collaborated with engineers to validate fixes and solutions
- Worked with ticketing systems (Jira) and escalation workflows

Developed skills: #RootCauseAnalysis

#IssueReproduction

#Troubleshooting

#DefectIdentification

#TicketManagement

#TechnicalCommunication #Jira

Senior Compliance Associate

Amazon | Dec 2015 - Nov 2018

- Used advanced search queries and Regex to retrieve specific data sets
- Analyzed results using Excel (VLOOKUP, IF, Pivot Tables) to detect patterns and anomalies
- Ensured data accuracy and compliance with internal standards

Developed skills: #DataValidation

#PolicyCompliance

#RiskIdentification

#AttentionToDetail

#ProcessAdherence

ADDITIONAL ACTIVITIES

- Completed .NET programming courses (Wantsome)
- Completed Product Owner training (Azimut Vision)
- Software Developer Intern at Cognizant Softvision

SOFT SKILLS

- Strong attention to detail
- Analytical and problem-solving mindset
- Clear written and verbal communication
- Ability to work independently and in a team
- Good time management and organization skills
